Topping

150 g powdered sugar
60ml milk
65 g Biscoff spread

Decoration

Biscoff spread
Biscoff cookies

Zubereitung

- 1** For the glaze, add the powdered sugar, milk, vanilla extract and Biscoff spread into a mixing bowl. Mix until smooth and add more milk if needed.
- 2** Dip the donuts in the glaze and put on a wire rack to let the frosting set.
- 3** In the meantime, melt the spread for just 5 to 10 seconds until it is smooth enough for piping.
- 4** Add the Biscoff spread to a piping bag with nozzle and pipe a nice swirl of spread in the middle of the donut.
- 5** Top off with a Biscoff cookie.
- 6** Optionally, you can also make a variation: after dipping the donut in glaze dip it in the Biscoff crumble and finish off with more Biscoff if wanted.
